

A Cross Clerk

Is a rarity. For the most part the young woman behind the counter is smiling and obliging, though her back hurts, her side pains, or her head throbs distractingly. The wonder is, not that a clerk is sometimes irritable, but that she so rarely shows irritation, when every nerve is quivering and she hardly knows how to hold her head up.

The nervous condition, headache and weakness, which are the results of irregularity or a diseased condition of the womanly organs, can be entirely cured by the use of Dr. Pierce's Favorite Prescription. It regulates the functions, stops enfeebling drains, strengthens the nervous system and promotes the general health of the entire body.

Sick women are invited to consult Dr. Pierce by letter, free of charge.

All correspondence private. Address Dr. R. V. Pierce, Buffalo, N. Y.

"Having used Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery' during the past year," writes Mrs. Mattie Long, of Piquette Valley, Perry Co., Pa., "I can truthfully recommend the medicines for all female weakness. I have used several bottles of 'Favorite Prescription,' which I consider a great blessing for weak women. I was so nervous and discouraged that I hardly knew what to do. Your kind advice for home-treatment helped me wonderfully. Thanks to Dr. Pierce."

HE FEARED A CATASTROPHE.

Letter in Dead Man's Pocket Warned Wife of Impending Evil.

ST. LOUIS, Nov. 3.—S. P. Calley, an apiarist of Higginsville, Mo., was killed by a Chicago & Alton freight on which he was riding yesterday. The officials of the coroner's office have managed to remove blood stains from a letter in his pocket, and in it he tells his wife that he fears some tragedy is about to befall the family, and urges her to be doubly careful.

Deceased will be remembered by many of our citizens as a promoter of the school of Psychology which was started in Marshall last winter. He was perfectly deaf, which accounts for his being run down by an engine. He was enroute to Cuba with a quantity of bees. A wife and two children are left to mourn for a kind husband and father.

Warehouse Slips

The big Rea & Page warehouse, east of the depot, containing 25,000 bushels of wheat, slipped on its foundation Tuesday night.

The building is set on blocks and they gave way, carrying the whole east end of the building to the north. The structure sustained but little damage, but several cars of wheat will have to be shipped out, so that repairs can be made.—Malta Bend Qui Vive.

BEDFELLOWSHIP.

The Time When Girls Exchange Confidences.

After the prolonged separation of a year when girl school chums meet again, they are apt to put off all conversation of intimate and private matters until bed-time. Then reviving dormitory days of old they open their hearts and tell the secrets accumulated in twelve long months. And some of these confidences are very sad. It is sad when the girl who was a crack at tennis, could pull an oar and swing a golf club has to admit that she has given up all those things because her back aches so incessantly. The pity is that such break-downs are so common among young women. They

WHAT WOMEN SAY

about the merits of Dr. Pierce's Favorite Prescription is the best testimonial to its wonderful curative power. There is no claim made for "Favorite Prescription" which is not backed by cures. Every statement made as to what this medicine will do is supported by the living evidence of what it has done. It has made weak women strong and sick women well. It has brought back the roses to faded cheeks and the plumpness to shrunken forms. It has given laughter for tears, and joy in life for utter misery. What "Favorite Prescription" has done it is doing every day.

"A few years ago I suffered severely with female weakness, and had at times dreadful pains," writes Mrs. Mary V. Brown, of Cresswell, Harford Co., Md. "I went to my doctor, and he gave me medicine which did me good for a while, but I would get worse again. I had a sick headache nearly all the time; was so weak around my waist could hardly

will continue to be common and to increase in frequency until the girl is taught that the stability of the general health is founded on the local womanly health.

A WOMAN'S WEAKNESS

may be judged by her womanly health. "Female Weakness" is not a scientific term, but it is a popular term, expressing the result rather than the condition of womanly disease. Weakness must inevitably follow disease of the delicate womanly organs. Irregularity is often the beginning of more serious ailments. Drains that are at first considered chiefly as disagreeable, will in the end drain away the vigor and vitality of women. The prompt use of Dr. Pierce's Favorite Prescription would save many a woman from years of weakness and suffering. It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness. It makes weak women strong and sick women well.

There is no other put-up medicine for woman's peculiar ills, purchasable from dealers which has so remarkable a record of cures as Dr. Pierce's Favorite Prescription. When physicians have said no cure was possible; when all other means and medicines have utterly failed to benefit "Favorite Prescription" has been tried and its use has resulted in a perfect and permanent cure.

"Your letter just received," writes Miss Rose Kilfether, of 43 West Sharpnack St., Germantown, Philadelphia, Pa. "Words fail to express how thankful I am to you for your advice. I must confess that for the length of time I have been using your medicine I have found it to be the most wonderful and best remedy for female troubles that I ever have tried, and from now on I shall use no other. Sorry I did not know of your 'Favorite Prescription' years ago, but will gladly tell my friends who are suffering of your wonderful medicine. I cannot speak too highly of it."

bear anything to touch me. My feet would keep cold and I could hardly do my work. I would work awhile and then lie down awhile; was completely run-down. Suffered from disagreeable discharge and also severe pains at times. After using five bottles of Dr. Pierce's Favorite Prescription, three of his 'Golden Medical Discovery' and one vial of Dr. Pierce's Pleasant Pellets, and following the advice you gave regarding the 'Lotion Tablets,' I can truly say that I am cured."

Sick and ailing women are invited to consult Doctor Pierce, by letter, free. All communications held as sacredly confidential and womanly confidences guarded by strict professional privacy. Address Dr. R. V. Pierce, Buffalo, N. Y.

A great many women have gratefully accepted the opportunity of a free consultation by letter with Dr. Pierce, as a welcome escape from the indelicate questionings, the offensive examinations and obnoxious local treatments, thought necessary by some physicians. The modest woman shrinking from these things often lets her disease grow and eat into her life rather than submit to a treatment which offends her delicacy. A letter to Dr. Pierce avoids all these offensive practices.

If you are persuaded that Dr. Pierce's Favorite Prescription has cured others, do not allow yourself to be robbed of a cure by accepting some substitute medicine pressed on you by the dealer because it pays him a little more profit.
